

## CPAS Launches New Website

Toronto, ON – April 13<sup>th</sup>, 2007 – CPAS Systems Inc., announces new web site. The new site offers a clean and fresh look that is both dynamic and informative and provides online visitors with improvements in navigation, uniformity, appearance and accessibility to users with disabilities.

The website provides more immediate access to all major topic areas and allows easy browsing and searching through information about CPAS and our product and service offerings. An online presentation of our comprehensive pension solution, CPAS v5, is provided.

Enhancements to the web site include:

- Improved navigation - Web pages work in intuitive and consistent ways, making it easier to find what you need.
- Improved look and feel - Enhanced graphics and new page layouts provide an improved user experience.
- New features - New features include print-friendly versions of the web pages, news and events notices. A quick tour demo of CPAS v5 is followed by a real time, interactive view of CPAS v5. More immediate and direct access to the CPAS Client Zone is also provided.
- Improved Accessibility - The web site is designed so that its content will be available to persons with disabilities who use assistive software to navigate the World Wide Web.
