

CPAS to attend the 2011 SACRS Spring Conference

Toronto, ON – May 3, 2011 – CPAS Systems Inc. will be attending the 2011 SACRS Spring Conference. The conference is scheduled for May 10th-13th at the Fess Parker's Doubletree Resort located in Santa Barbara, California.

David Rive, Chairman and CEO and Jeanette Willis, Director of Business Development will be in attendance. They look forward to meeting with you and discussing how CPAS can help with your pension administration software needs.

About CPAS Systems Inc

Founded in 1985, CPAS Systems Inc. is an ISO 9001:2008 registered, global supplier of pension administration software solutions. Web-based for member, retiree and employer self-service, our CPAS v5 product is multi-lingual, multi-jurisdictional and multi-currency; it offers an integrated solution for administrators of all forms of defined benefit, defined contribution pension plans, and life and health benefits. CPAS v5's innovative design and Enterprise Tools allow clients to offer improved services to their clients and membership, while maintaining control of ongoing administrative costs.

CPAS software is the solution of choice for 150 organizations throughout the USA, Canada, the Caribbean, Europe, China and Africa. CPAS Systems Inc. software has been employed to administer more than 2000 plans, and more than 2,000,000 members worldwide, for over 25 years.
