

CPAS exhibits at the 56th U.S. Annual Employee Benefits Conference

Toronto, ON – December 9th, 2010 – CPAS Systems Inc., participated in the 56th U.S. IFEBP Annual Employee Benefits Conference held in Honolulu, Hawaii.

The exhibit was a great success, and highlighted our product suite offering, CPAS v5.

Overall attendance at the conference was approximately 5,000 and we would like to thank all those attendees who stopped by to take a closer look at CPAS, and our pension administration solutions.

The International Foundation's Annual Employee Benefits Conference is the largest gathering of employee benefits representatives in the United

States, and CPAS Systems Inc. is a regular contributor to the event. The conference is designed to meet the specific needs of multiemployer and public sector plan trustees and administrators, attorneys, accountants, actuaries, investment managers and others who provide services or who are involved in the overall management and administration of benefit trust funds.

The main conference featured over 130 sessions, workshops and roundtables covering an expansive array of topics. The program content was created by International Foundation committee members, composed of labor and management trustees, administrators, plan professionals and service providers of multiemployer and public sector benefit plans.

About CPAS Systems Inc

Founded in 1985, CPAS Systems Inc. is an ISO 9001:2008 registered, global supplier of pension administration software solutions. Web-based for member, retiree and employer self-service, our CPAS v5 product is multi-lingual, multi-jurisdictional and multi-currency; it offers an integrated solution for administrators of all forms of defined benefit, defined contribution pension plans, and life and health benefits. CPAS v5's innovative design and Enterprise Tools allow clients to offer improved services to their clients and membership, while maintaining control of ongoing administrative costs.

CPAS software is the solution of choice for 150 organizations throughout the USA, Canada, the Caribbean, Europe, China and Africa. CPAS Systems Inc. software has been employed to administer more than 2000 plans, and more than 2,000,000 members worldwide, for over 25 years.
