

CPAS Opens California Office

Toronto, ON – June 11th, 2010 – CPAS Systems Inc. announced today the opening of a new regional office in Los Angeles, California.

“The new Marina del Rey office will enable us to better serve our growing client base in California and support the expansion of CPAS Systems Inc. on the West Coast. A large percentage of our business is being done today in the U.S., and recently in California in particular.” said Andrew Zdunich, CPAS Systems’ Vice President of Professional Services.

About CPAS Systems Inc

Founded in 1985, CPAS Systems Inc. is an ISO 9001:2000 registered, global supplier of pension administration software solutions. Web-based for member, retiree and employer self-service, our CPAS v5 product is multi-lingual, multi-jurisdictional and multi-currency; it offers an integrated solution for administrators of all forms of defined benefit, defined contribution pension plans, and life and health benefits. CPAS v5’s innovative design and Enterprise Tools allow clients to offer improved services to their clients and membership, while maintaining control of ongoing administrative costs.

CPAS software is the solution of choice for 140 organizations throughout the USA, Canada, the Caribbean, Europe, China and Africa. CPAS Systems Inc. software has been employed to administer more than 2000 plans, and more than 2,000,000 members worldwide, for over 25 years.
