

## CPAS Systems Inc. to host 21st Annual User Group

Toronto, ON – May 25<sup>th</sup>, 2010 – CPAS Systems Inc. will host the 21<sup>st</sup> Annual User Group Meeting of CPAS clients on May 26<sup>th</sup>, 2010 at the Hyatt Regency Hotel located in the heart of downtown Toronto!

The CPAS User Group, active since 1989, is an independent group with its own elected executive.

### About CPAS Systems Inc

Founded in 1985, CPAS Systems Inc. is an ISO 9001:2000 registered, global supplier of pension administration software solutions. Web-based for member, retiree and employer self-service, our CPAS v5 product is multi-lingual, multi-jurisdictional and multi-currency; it offers an integrated solution for administrators of all forms of defined benefit, defined contribution pension plans, and life and health benefits. CPAS v5's innovative design and Enterprise Tools allow clients to offer improved services to their clients and membership, while maintaining control of ongoing administrative costs.

CPAS software is the solution of choice for 140 organizations throughout the USA, Canada, the Caribbean, Europe, China and Africa. CPAS Systems Inc. software has been employed to administer more than 2000 plans, and more than 2,000,000 members worldwide, for over 24 years.
