

## CPAS Welcomes Des White as new UK Representative.

Toronto, ON – February 4, 2008 – CPAS Systems Inc., is pleased to introduce Mr. Des White as its new representative to the UK.

After 30 successful years in various IT roles within some of the top UK companies such as Barclays Bank and Fidelity International, Des setup JDW Solutions Ltd in December 2007 offering IT and Business Consultancy, specialising in Pension Solutions for the Corporate sector.

Des is managing the UK launch of our DB/DC Pension Administration product, CPAS v5, undertaking the initial market analysis and segmentation plus the formulation of a deployment strategy.

Des regularly competes in all types of athletic events and has recently completed his 38th Marathon in Las Vegas.

### About CPAS Systems Inc

Founded in 1985, CPAS Systems Inc. is an ISO 9001:2000 registered, global supplier of pension administration software solutions. Web-based for member, retiree and employer self-service, our CPAS v5 product is multi-lingual, multi-jurisdictional and multi-currency; it offers an integrated solution for administrators of all forms of defined benefit, defined contribution pension plans, and life and health benefits. CPAS v5's innovative design and Enterprise Tools allow clients to offer improved services to their clients and membership, while maintaining control of ongoing administrative costs.

CPAS software is the solution of choice for 140 organizations throughout Canada, USA, and the Caribbean and with clients in Ireland, China, and Nigeria. CPAS Systems Inc. software is employed to administer more than 2000 plans, and more than 2,000,000 members worldwide, for over 23 years.
