

CPAS Systems Inc. to attend the IFEBP 56th US Annual Conference

Toronto, ON – Oct 19th, 2010 – CPAS Systems Inc. will be attending the International Foundation of Employee Benefit Plans' 56th US Annual Conference in Hawaii being held between November 14th and November 17th.

This year's Annual Employee Benefits Conference will help you discover and implement ideas that will deliver results for the funds and individuals you serve. Start your conference off on the right foot and drop by Booth #228 for a live demonstration of CPAS v5.

Jeanette Willis and David Walsh will be in attendance and they look forward to meeting with you and discussing how CPAS can help you with your pension administration software needs.

About CPAS Systems Inc

Founded in 1985, CPAS Systems Inc. is an ISO 9001:2008 registered, global supplier of pension administration software solutions. Web-based for member, retiree and employer self-service, our CPAS v5 product is multi-lingual, multi-jurisdictional and multi-currency; it offers an integrated solution for administrators of all forms of defined benefit, defined contribution pension plans, and life and health benefits. CPAS v5's innovative design and Enterprise Tools allow clients to offer improved services to their clients and membership, while maintaining control of ongoing administrative costs.

CPAS software is the solution of choice for 150 organizations throughout the USA, Canada, the Caribbean, Europe, China and Africa. CPAS Systems Inc. software has been employed to administer more than 2000 plans, and more than 2,000,000 members worldwide, for over 25 years.
