

## Merced County Employees' Retirement Association Selects CPAS v5.

Toronto, ON – September 21, 2009 – CPAS Systems Inc. has been selected by the Merced County Employees' Retirement Association ("MCERA") to implement its CPAS v5 pension administration solution.

CPAS Systems has signed an agreement with MCERA to install CPAS v5, and provide related professional services including implementation and training.

"We very pleased to add Merced County Employees' Retirement Association to our growing list of California 1937 Act clients and look forward to working with them to implement CPAS v5. Over the last few years many California 1937 Act Counties have chosen CPAS v5 as their pension administration software solution of choice and we are excited to work with all of them as we continue to enhance our CPAS v5 1937 Act Template. CPAS understands the unique administrative challenges faced by California 1937 Act Counties both individually and collectively and we continue to make enhancements to our CPAS v5 product offering to ensure that we offer our clients the most cost-effective and functionally rich administration solutions on the market. This will allow them to enhance their service to their membership and to continue providing them with superior service." – David Rive, President and CEO of CPAS Systems Inc.

### About CPAS Systems Inc

Founded in 1985, CPAS Systems Inc. is an ISO 9001:2000 registered, global supplier of pension administration software solutions. Web-based for member, retiree and employer self-service, our CPAS v5 product is multi-lingual, multi-jurisdictional and multi-currency; it offers an integrated solution for administrators of all forms of defined benefit, defined contribution pension plans, and life and health benefits. CPAS v5's innovative design and Enterprise Tools allow clients to offer improved services to their clients and membership, while maintaining control of ongoing administrative costs.

CPAS software is the solution of choice for 140 organizations throughout Canada, USA, and the Caribbean and with clients in Ireland, China, and Africa. CPAS Systems Inc. software has been employed to administer more than 2000 plans, and more than 2,000,000 members worldwide, for over 24 years.

### About MCERA

MCERA is a defined benefit plan administered under the California County Employees' Retirement Law (CERL) of 1937. The plan provides retirement, disability, death, and survivor benefits for eligible employees of the County of Merced, Superior Court of California, and the Merced Cemetery District. MCERA is located in Merced, California.
