

CPAS Systems Inc. to attend the SACRS Spring Conference 2010

Toronto, ON – April 29th, 2010 – CPAS Systems Inc. will be attending the SACRS Spring Conference 2010 being held in the beautiful Orange County coastline community of Newport Beach. The conference will take place from May 11th to the 14th. Topics for this year's conference include: national pension issues, disability, ethics training, legislation and numerous investments ideas and strategies which are all presented by experts in their respective fields.

Adrian Praysner, VP of Sales and Marketing and Jeanette Willis, Director of Business Development will be in attendance. They look forward to meeting with you and discussing how CPAS can help with your pension administration software needs.

About CPAS Systems Inc

Founded in 1985, CPAS Systems Inc. is an ISO 9001:2000 registered, global supplier of pension administration software solutions. Web-based for member, retiree and employer self-service, our CPAS v5 product is multi-lingual, multi-jurisdictional and multi-currency; it offers an integrated solution for administrators of all forms of defined benefit, defined contribution pension plans, and life and health benefits. CPAS v5's innovative design and Enterprise Tools allow clients to offer improved services to their clients and membership, while maintaining control of ongoing administrative costs.

CPAS software is the solution of choice for 140 organizations throughout the USA, Canada, the Caribbean, Europe, China and Africa. CPAS Systems Inc. software has been employed to administer more than 2000 plans, and more than 2,000,000 members worldwide, for over 24 years.
